- Creating and saving custom presets
- Syncing edits across multiple images
- Understanding and using profiles

Module 6: Masking and Selective Adjustments

- AI-powered masking tools
- Subject, sky, and background selection
- Advanced local adjustments
- Enhancing specific areas without affecting the whole image

Module 7: HDR, Panoramas, and Special Edits

- Merging HDR images
- Creating panoramic images
- Focus stacking for enhanced sharpness
- Black & white and vintage edits

Module 8: Exporting and Sharing

- Exporting for web, print, and social media
- Watermarking images
- File formats and quality settings
- Integrating with Photoshop for further editing

Module 9: Mobile and Cloud Syncing

- Using Lightroom Mobile and Cloud
 - Syncing edits across devices
 - Cloud storage and backups
- 
- An abstract graphic consisting of numerous thin, white, curved lines that overlap and intersect to form a complex, organic shape. This shape resembles a stylized, flowing letter 'S' or a series of concentric, wavy lines. It is set against a solid, vibrant red background that occupies the bottom half of the page.
