HCIA-Intelligent Vision

Course Modules

1. Technical Principle and Application of Intelligent Camera

- Huawei Intelligent Cameras
- Ascend Chip of Intelligent Cameras
- Operating System of Intelligent Cameras
- New Basic Features of Intelligent Cameras

2. Principle and Application of Intelligent Video Algorithm

- Intelligent Vision
- Intelligent Analysis Technologies and Principles
- Huawei HoloSens Store

3. Technical Principle and Application of Video Cloud

- As-Is and Challenges of the Public Safety Industry
- Convergence of Cloud Computing & the Public Safety Industry
- Convergence of Containers and the Public Safety Industry
- Convergence of the Kunpeng Industry & the Public Safety Industry
- Huawei HoloSens IVS Solution

HCIA-Intelligent Vision

3. Technical Principle and Application of Video Big Data

- Overview and Development Trend of Video Big Data
- Technical Principle of Video Big Data
- Application of Video Big Data

4. Video Interconnection Technology Standards and Application

- Overview of Video Interconnection
- Common Protocols and Standards
- Camera Access Technology
- Platform Interconnection Technology
- Industry Application

5. Video Site Planning and Design

- Overall Process of Video Site Planning and Design
- Video Site Selection Planning
- Video Site Survey
- Device Selection Planning for Video Sites
- Video Site Installation and Configuration
- Foundation Construction
- Site Installation

HCIA-Intelligent Vision

7.Video Site Service Commissioning

- Overview of Video Site Commissioning
- Battery Unit Commissioning
- Functional Module Commissioning
- Camera Commissioning

8.Video Site Maintenance

- Maintenance Overview
- Routine Maintenance
- Maintenance Skills
- Inspection

9.Video Site Troubleshooting

- Troubleshooting Overview
- Common Fault Troubleshooting
- Troubleshooting Skills

10. Intelligent Vision System Planning and Design

- Overview of the Intelligent Vision Data Center
- Infrastructure Intro and Planning and Design of the Intelligent
- Intro and Planning and Design of the Intelligent Vision System

HCIA-Intelligent Vision

For Enquiry: +91 8680961847

11. Intelligent Vision System Installatn, Deploymnt, & Service

- Basic Installatn & Srvc Config of the Huawei HoloSens IVS1800
- Installation and Deployment of the Huawei HoloSens IVS3800
- Service Commissioning of the Huawei HoloSens IVS3800

12. Routine Maintenance of the Intelligent Vision System

- Maintenance Overview (Intelligent Vision System)
- Routine Maintenance (Intelligent Vision System)
- Maintenance Skills (Intelligent Vision System)
- Inspection (Intelligent Vision System)

13. Intelligent Vision System Troubleshooting Guide

- Troubleshooting Overview (Intelligent Vision System)
- Common Faults(Intelligent Vision System)
- Troubleshooting Skills(Intelligent Vision System)
